Central Intelligence Agency
Washington, D.C.

Dear Judge Webster:

I have received your July 28th memorandum commending Assistant Director William Bayse and Special Agent Paul FitzGerald for their participation in the third assessment of the Threat to Intelligence Community Automated Information Systems and Networks.

It was indeed thoughtful of you to acknowledge their contributions to this document, and I am pleased that the work they put into it has been helpful to you. I will convey your kind comments to Messrs. Bayse and FitzGerald who will undoubtedly receive a great deal of satisfaction from the knowledge that their expertise is being recognized. I know they will share my appreciation for your thoughtfulness and want to add their thanks to mine.

With warmest personal regards,

Sincerely yours,

William S. Sessions
Director
